

Purpose ...

- ♦ We believe that parents, not churches, have the primary responsibility for the spiritual nurture of their children.
- ♦ We want to partner with you in your God-given responsibility to raise your children in the discipline and instruction of the Lord (Eph. 6:4). We believe that God chose you to teach your children, to train them, to impart biblical values to them, to discipline them, and to help them become the man or woman He has called them to be.
- ♦ We want our children at Fellowship Bible Church to become so saturated with the Word of God that they treasure Christ alone as the One who saves and satisfies the heart.
- ♦ It is our desire to infuse in them a vision of God according to His infallible Word. We want them to know who He is, and who we are in relation to Him. It is our hope to build a strong foundation of doctrine and truth.

- ♦ We want to present God as the hero of every story in the Bible. We approach our teaching with a God-centered worldview seeking to impart in them a faith that will last.
- ♦ We want them to love the Lord their God with all their heart, and to delight in Him forever.

Children are able to handle deep truth at a young age, thus we will expose them to solid biblical truth that will give them a sustaining foundation throughout life.

Children learn "precept upon precept," meaning they learn best when Truth is presented at a simple level in the early years and then reinforced and expanded at primary levels.

Kids' Klub

Kids' Klub is designed to engage children in the Word of God as they develop a healthy view of God, His glory and His purposes. The time is structured in such a way as to provide several different learning environments, with loving adults who are seeking to engage with each child.

Curriculum

Children Desiring God, developed by Bethlehem Baptist Church and John Piper. Its aim is to equip the body of Christ to spread to the next generations a passion for the supremacy of God in all things for the joy of all peoples through Jesus Christ.

The curriculum is God centered and points to God in every story, asking "What does this passage say about God?"

It emphasizes an all-powerful, all-loving, sovereign Triune God directing everything to serve His Glory and His good purpose.

The goal of CDG curriculum is to fuel spiritual desire in children by exalting the greatness and worth of God and His glorious work through Christ.

- ♦ **Missions**—Exposure to God's work through missions, using stories, special guests, exposure and challenge toward the work of missions.
- ♦ **Heroes of the Faith**—What God is doing in the lives of His people today. From time to time we have an

opportunity to meet modern day heroes of the faith. Whether through achievements or adversity they are giving God the glory through their life and we want to put the spotlight on them.

Here at Fellowship we are committed to helping you disciple your children. AWANA seeks to challenge your child to memorize God's Word while creating an exciting and fun environment.

Curriculum

Foundational Bible-centered teaching handbooks and club activities help your children begin to build a solid understanding of the basics of Christianity at an early age.

Schedule

Wednesday Nights, September–April
6:30–8:00 pm

Cubbies: 3 and 4 year olds

Cubbies is unique because it supports parents as the primary source of spiritual nurturing. By working directly with your child on the weekly handbook lessons, you become active participants in your child's spiritual development.

Sparks: Kindergarten–2nd Grade

Sparks will take a chronological journey through Scripture — Genesis through Revelation — with regular layovers to meet important Bible characters along the way. Each book includes memory verse sections, Bible biographies, and activities.

Truth and Training: 3rd–6th Grade

Truth & Training reflects our passion to train our children in the truth of God's Word and to train them to follow Christ in their daily lives. By the time a child has completed T&T, he will have:

- Learned and reviewed approximately 310 verses
- Studied dozens of passages from the Old and New Testament
- Regularly heard and read the gospel message
- Discovered the Bible's response to questions like "How does God want me to live my life?" and memorized verses to back up these answers
- Completed missions projects that help him see the world through God's eyes

Parental Involvement in Children's Ministry

There are many ways you can engage in FBC Children's Ministry.

The first and most important is to make Children's ministry a priority in your home.

Get involved with your child through encouraging and listening to them as they work through the AWANA handbook and discussing the Parent Resource Page from Kids' Klub during the week.

Encourage and support the teachers and leaders in the Children's Ministry.

Join the fun and serve in the Children's Ministry. You will be challenged and stretched as you grow.
